## Tracked Scalping Screen

Quality Engineered  
Excellence Since 1911

# Urban Elite SR104 Tracked Scalping Screen 3m x 1.2m (10ft x 4ft)

The Parker Urban Elite SR104 has been developed for the smaller end user who requires its versatility and ease of transport, without compromising on build quality and reliability.

With its highly aggressive 2 deck screenbox, the Parker SR104 is purpose built for scalping, stockpiling and way splitting.

Designed to cope with the heaviest applications the Urban Elite SR104 can be used in crushing circuits, demolition and construction waste management, aggregates, heavy rock and top soil applications, as well as many others.

- Robust and durable screens featuring rapid setup times
- High volume, high efficiency product screening
- Versatile in a wide range of applications
- Easily accessible maintenance and service points
- Simple hydraulic circuits
- Efficient Caterpillar C2.2 Stage V/Tier 4 Final powerpack designed for low operating cost
- Global aftersales service, support and spare parts supply

## Options:

- Dust Suppression System
- Radio Controlled Tracks
- Top Mesh, Bofars Bars, Punchplate or Heavy Duty Finger Screen Deck
- Overband Magnet Fitted to Oversize Conveyor
- Hardox Lined Hopper
